(b) An accounting time period of one year in length is referred to as a fiscal year. A fiscal year that extends from January 1 to December 31 is referred to as a calendar year. Accounting periods of less than one year are called interim periods. 2. The two generally accepted accounting principles that relate to adjusting the accounts are:

CHAPTER 3

With its tried-and-true framework and respected author team, Horngren/Harrison/Oliver's Financial & Managerial Accounting is the trusted choice for instructors and students of Principles of Accounting. The third edition preserves the classic, solid foundation of the previous editions, while also including a modern and fresh teaching approach that helps students understand the complexities of accounting, giving them more "I Get It!" moments.
