In recent years a number of countries have
introduced affirmative action programmes in
order to put right historical injustices and
economic inequalities involving ethnic
communities. This book examines affirmative
action programmes in a range of countries
around the world.

President John F. Kennedy on 6 March 1961 and required that government employers "not discriminate against any employee or applicant for employment because of race, creed, color, or national origin" and "take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their race, creed, color, or national origin".

Affirmative action as a practice was partially upheld by the Supreme Court in Grutter v. Bollinger (2003), while the use of racial quotas for college admissions was concurrently ruled unconstitutional by the Court in Gratz v. Bollinger (2003). Affirmative action often gives rise to controversy in American politics.
