After 1500 A.D., the language is so similar to that spoken today that it is generally classed as Modern English. As a matter of fact, pure Anglo-Saxon only exists down to about the period already reached in this book, and with the advent of the Danes, of whom will spoken of in the subsequent chapters, many new words begin to creep in. Up to this point there had been very many words derived from Latin, and those which had entered the language had either been brought in by the Romanized clergy ...

The Anglo-Saxons Sweep Ashore This time the attack came from the north. In the middle of the fifth century, the invaders, Angles and Saxons from Germany and Jutes from Denmark, crossed the North Sea. They drove out the old Britons before them and eventually settled the greater part of Britain.

~~The Anglo-Saxons: What Did They Value?~~

The term Anglo-Saxon is popularly used for the language that was spoken and written by the Anglo-Saxons in England and eastern Scotland between at least the mid-5th century and the mid-12th century. In scholarly use, it is more commonly called Old English. The history of the Anglo-Saxons is the history of a cultural identity.

~~Anglo-Saxons - Wikipedia~~

Saturday, 7 th June 2014. The Anglo-Saxon period in England began with the collapse of the late Roman monetary system, but also saw the eventual establishment of a currency which would become a vibrant and dynamic entity - the basis of later medieval, and indeed modern, British currency.
