...~~

While not neglecting the lesser but still influential figures, such as Arnauld and Malebranche, John Cottingham focuses primarily on the three great "rationalists": Descartes, Spinoza, and Leibniz. He examines how they approached central problems of philosophy, and shows how closely their ideas are related, despite the radically different philosophical systems they produced.

From Socrates and Augustine to Darwin and Freud, In Search of the Soul takes readers on a concise, accessible journey into the origins of the soul in Western philosophy and culture, and examines how the idea has developed throughout history to the present. Touching on literature, music, art, and theology, John Cottingham illustrates how, far from being redundant in
