skills and experience in letter form. A resume is a concise, often bulleted summary, while a cover letter highlights and expands on certain traits or accomplishments that would be unique or ideal assets for the particular job.

How to Write an Effective Resume

As everything in your resume is about your experiences, avoid writing in first or third person. For example, instead of writing "I managed a team of three", or "Sarah managed a team of three" rather write "responsible for managing a team of 3" in concise bullet points below headlines where necessary.
