The second Lionboy book from the trilogy,  
Lionboy: The Chase, I have to say was a major  
step up from the first book, Lionboy. The  
dialogue was smoother, the plot was much more  
interesting and held my attention much  
better, and the characters are even more  
memorable.

Recommended reading books for children by  
Zizou Corder

Lion Boy The Chase by Zizou Corder was probably by far the worst book I have ever read. I started to read the first 50 pages and thought to myself many times. "This sounds like other books, stories, and movies I have read in the past. Well this continued for ever and ever making me not even want to turn to the next page.
