The Lean Turnaround explains all the ins and outs of applying Lean strategy to:

- Eliminate waste in every value-added operation
- Deliver consistent value to customers
- Stimulate growth and add jobs
- Increase wealth for all your stakeholders
- Build a company culture of continuous improvement (kaizen)

Instead of attempting to get customers to conform to your way of doing things--which is, sadly, what most managers are taught to do--you need to configure your company to be responsive to the customers.
