After opting for new-home construction so that everything is perfectly new, you may find that everything isn't so perfect. Construction defects are unfortunately a regular occurrence in the building industry, and homeowners can sue for damages. But perhaps the more pressing question isn't can they sue, but when can they sue.

New-Home Construction Defects: When Can You Sue the Builder?

Is the builder consistently building identical or larger homes in the area or is construction lagging with homes shrinking in size? Finally, find out if the builder sells to investors. Some builders require that all their homes must be owner-occupied, but others eagerly sell as much inventory to investors as profit margins will allow.
